Hi Nancy, I am curious now about the Gunnison project in Cochise county. Will that have a similar type of approval process as Florence?

thanks in advance,

Brent

Hi Brent, We've prepared the draft Underground Injection Control permit. We have not issued the final permit decision yet.

Hi Nancy,

I was analyzing all the past/present copper projects in AZ and was just curious if the EPA ever did grant the permit for this Production Test Facility?

Thank you,

Brent
